## Why Sponsor ACRT 2026?

Position your organization at the forefront of cancer research and treatment by engaging directly with:

- **Leading scientists and academic researchers** driving discovery in cancer biology and genomics
- **Oncologists and clinical trial leaders** shaping the next generation of precision medicine
- **Biotech and pharma innovators** advancing breakthrough therapeutics and diagnostics
- **Startups and digital health pioneers** transforming oncology with AI, biomarkers, and novel platforms

Sponsoring ACRT 2026 connects your brand with thought leaders working at the intersections of:

- **Basic Research** – tumor microenvironment, immunology, cell signaling
- **Clinical Oncology** – trials, biomarkers, patient stratification, real-world data
- **Therapeutic Development** – biologics, immunotherapies, ADCs, cell & gene therapies
- **Industry Innovation** – diagnostics, AI/ML, digital health, translational infrastructure
